

Mark your calendars

The Warren-Henderson Young Leaders Committee is hosting a Young Leaders outing on Friday, June 22nd and invites all those interested between the ages of 18-35 to join. Beginning at 12:30pm, the group will tour John Deere Harvester Works in East Moline. After the tour, the tentative plan is to eat and take a brewery before heading to see the Quad Cities River Bandits take on the Beloit Snappers at 6:35pm. We welcome you to attend and spend a fun-filled afternoon and evening with us, but do request you make a reservation by June 1st so we can plan accordingly. To reserve your spot or for more details, please call 309-734-9401 or email whfb@whfarmbureau.org.
