

ON-THE-ROAD SEMINAR

MOTOR VEHICLE RULES FOR ILLINOIS FARMERS

Trucking regulations can be complicated, and farm exemptions compound that problem. It seems everyone has a different answer to your question. Join the Knox, McDonough, and Warren-Henderson County Farm Bureaus at 1:30pm on Wednesday, February 6th, 2019 at the Spoon River Outreach Center located at 2500 E Jackson in Macomb to find out what you need to know.

We will be hosting a two-hour seminar that focuses on trucking laws—old and new—specifically for farmers. We'll introduce you to new rules, remind you of the old ones that still apply and help you to figure out whether exemptions are available.

Throughout it all, you'll have the chance to ask those farm trucking questions that everyone seems to have an opinion about, but no one can agree on an answer.

Trucking laws have been reshaped in recent years with more changes yet to come. Rules recently affected include: farmer exemptions, Harvest Season permit, Electronic Logging Devices (ELDs), waivers for insulin-related diabetic drivers, a new class "C" license plate, Covered Farm Vehicle options for small trucks, and the UCR payment schedule and fees for 2019.

Presenting the seminar will be Kevin Rund and Kirby Wagner who specialize in farm transportation issues for the Illinois Farm Bureau®. And they'll provide take-home materials covering these topics.

The seminar is free but advance registration is requested. Call the Warren-Henderson Farm Bureau at 309-734-9401 to reserve your place at the *On-the-Road Seminar*.
