

Defensive Driving Course: June 5th & 6th

“The Warren-Henderson Farm Bureau® will be hosting a Defensive Driving Course on June 5th and 6th from 10:00 a.m. to 3:00 p.m. at the Farm Bureau® auditorium in Monmouth. The registration fee is \$10.00 for Farm Bureau® members and \$20.00 for non-members. This fee covers materials for the course and lunch for both days.

The course is open to anyone with a valid driver’s license. Those 55 and over will most likely be eligible for a discount on their auto insurance after completion of this course but you will need to check with your auto insurance carrier. Participants are required to attend *both* days in order to qualify for the discount.

This course was developed by the National Safety Council and will be taught by Doug Sommer, who worked as a safety educator for COUNTRY® for over 32 years. Doug is an enthusiastic and motivated presenter who delivers a safety presentation with great personal conviction.

Pre-registration is required and class size is limited. Don’t miss out on this opportunity to receive a discount on your car insurance while refreshing your knowledge on the rules of the road! Call the Warren-Henderson Farm Bureau® at 309-734-9401 or email whfb@whfarmbureau.org for more information or to register for the course.”
