

WARREN-HENDERSON FIRE DEPARTMENTS: AG TRAINING APPLICATION

Warren-Henderson Farm Bureau is offering funding for agriculture-related training opportunities for fire districts in Warren & Henderson counties. W-HFB will fund an ag-related training session for 1-2 people in a district department per calendar year. The expense covered will only be for the training portion of the event (no travel, per diem, meal costs, etc.). If the application is accepted, the fire district will need to submit training documentation/invoice to W-HFB to receive funding.

Contact Warren-Henderson Farm Bureau (Gina Long) with any questions.
