

IAA Foundation Offers Trucking Scholarships

BLOOMINGTON, Ill. — Truck drivers are critical for transporting farm commodities, inputs and food throughout Illinois and the nation. The IAA Foundation is pleased to administer the Driving Agriculture Forward Scholarship to help offset the cost of needed commercial truck driver training and ensure more well-trained, safe drivers are available.

“We are pleased to diversify the types of scholarships available through our program,” said Jennifer Smith, Development Manager, IAA Foundation. “We are encouraged by the insightfulness of donors who choose to support all facets of agriculture.”

In late 2021, the Illinois Farm Bureau committed to funding the Driving Agriculture Forward Scholarship. This donor agreement will continue for the next five years.

Applicants enrolled, or planning to enroll, in a commercial driver training program at an Illinois Community College are encouraged to apply. Five \$1,000 scholarships will be awarded every three months and are based on the Illinois Farm Bureau region where the applicant resides.

All applicants must be Illinois residents and must provide proof of enrollment during the corresponding award cycle. Additionally, an endorsement is required from a farmer, County Farm Bureau leader, agribusiness, or food processing business.

Full eligibility guidelines and the link to apply is available on the Foundation website, www.iaafoundation.org. For more information, contact your County Farm Bureau, the IAA Foundation at 309-557-2232, or e-mail Jennifer Smith at jsmith@ifb.org

The mission of the IAA Foundation, Illinois Farm Bureau’s charitable arm, is to fund education, research, and charitable activities that benefit Illinois farm families and agriculture.
