

## Annual Tractor Drive Set

Saturday, June 3, 2023, has been set as the date for a Maple City Antique Tractor Association Tractor Drive. The Maple City Antique Tractor Club is generously sponsoring this June Tractor Drive as a fundraiser for the Warren-Henderson Farm Bureau Foundation Scholarship and Ag Education Partnership's Ag in the Classroom programs. All makes and models of tractors are welcomed (your tractor must be able to maintain a minimum speed of 10MPH).

The 50-mile tractor cruise will begin at 911 N. Monroe St., Abingdon at 8:45am and cruise through the scenic hills and farms of Knox and Fulton Counties. The ride will consist of both hard surfaced and gravel roads, passing through Avon, and London Mills, with rest stops along the way. There will be a catered lunch at London Mills Community Park along the Spoon River. The second half of the trip will include travelling southern Knox County's highs elevations and scenic overlooks, before heading back to Abingdon.

A \$35 entry fee will be required for all tractors, which includes lunch and a donation toward the W-HFB Foundation Scholarship and Ag in the Classroom programs. Checks should be made out to the Maple City Antique Tractor Association.
