

LAUREN LURKINS

FOUNDER OF LURKINS STRATEGIES

The founder of an environmental consulting firm, Lurkins will describe environmental policy issues facing Illinois farmers. She will also speak to the opportunities for farmers in the future if they are actively engaged in the present.

"THE NEW DEFENSE OF FARMERS: WHY FARMERS SHOULD BE ACTIVELY ENGAGED IN ENVIRONMENTAL POLICY ISSUES"

SEVENTH ANNUAL
WISWELL-ROBESON LECTURE
7 PM SEPT 11
DAHL CHAPEL AND AUDITORIUM

FREE & OPEN TO THE PUBLIC

Monmouth College's annual Wiswell-Robeson Lecture is made possible by a gift from **Jeanne Gittings Robeson '60**, who operated a farm in Warren County, Illinois, with her late husband, **Don Robeson '54**. This lecture series explores issues, challenges and innovations in the agricultural industry.
